ACSI-ISOD

17 October 1957

MEMORANDUM FOR: CHAIRMAN, UTILIZATION ADVISORY BOARD

SUBJECT: Utilization of CHESS-Related Material (C)

1. The Office of the Assistant Chief of Staff, Intelligence, contemplates publishing, in forthcoming issues of the Daily Intelligence Briefing, a series of articles concerning Soviet scientific and technical activities of TYURA TAM.
2. The initial release, inclosed herewith in text, is based on information derived from a collateral source and contains no CHESS material. It is CHESS-related, however, in that it was obtained in response to a UAB-approved Specific Request for Information to the Office of the Army Attache, Moscow, prompted by CHESS disclosure. In view of that circumstance, the Army Member of the Board requests approval for its release.
3. Subsequent releases in the series contemplate inclusion of CHESS material and will be submitted to the Board for approval prior to publication.
